

Solar  Screen

PIXEL

Design
Decorative - Gradation

Description

Pixel is a decorative film with a graduated pixel pattern that gives glass a modern, graphic appearance. It offers partial privacy while maintaining light transmission, allowing you to customise windows and partitions in offices, shops or public spaces.

Stadip Int. Clear Double Pane	✓

✓ Yes ✗ Not recommended ! Caution

Construction

- 1 High optical quality polyester with printed design
- 2 PS adhesive, polymerizes with glass within 15 days
- 3 Protection PET release liner, disposable after installation

Composition
PET

Thickness
40 µm

Details

Installation and Maintenance Advise

Use Slide On (600-FO2) or Film On (600-F0355) diluted at 2 cL/L of water for installation and cleaning. Do not clean for one month after installation or apply stickers/adhesives on the film.
